

Accelerator V6

Ready to turn your website into a growth engine? Roya.com's Accelerator^{V6} package pairs a high-performance Canvas® CMS website with advanced SEO + AI discovery optimizations and multi-channel marketing support to help you generate more leads, build visibility, and scale faster — all with consistent strategy, content, and reporting.

Want a plan that doesn't just improve rankings - but actively drives calls, form fills, and real opportunities? Accelerator^{V6} combines foundational SEO and AI boosts (schema + llms.txt + AEO/GEO) with conversion-focused tools like landing pages, call tracking, and a virtual receptionist, plus ongoing content, citations, Google Business Profile posting, and display campaigns to keep your brand visible and your pipeline moving.

Testimonials

What Our Clients Are Saying

I use Roya for my Optometric marketing. They are amazing in both the content they produce and the customer service they provide. Thank you Roya!

This company goes above and beyond for the needs of their clients when it comes to website development and support. The marketing team always exceeds expectations. We've been very happy we made the change.

We love Roya. They have been doing an amazing job taking care of our website as well as all of our advertising. We are so glad we chose to work with them for our small dental business!
