

SEO+^{v6}

Want stronger rankings, better local visibility, and an AI-ready website foundation? Roya.com's SEO+^{v6} package is built for businesses that want consistent, measurable organic growth through advanced on-site SEO, authority-building, and AI discovery optimizations — all powered by the Canvas® CMS platform.

SEO+^{v6} is designed to help you show up when customers are actively searching and when AI tools are generating answers. Your dedicated Roya.com Marketing Strategist will implement an ongoing strategy focused on technical and structural SEO improvements, AI-ready enhancements (AEO & GEO), schema expansion, local authority signals, and consistent content development — supported by monthly reporting so you can track progress and outcomes.

Testimonials

What Our Clients Are Saying

We recently partnered with Roya to develop multiple websites and manage our corporate social media posts. Their team is professional, intuitive, creative and FAST! We are thrilled with the final products.

Our company has partnered with Roya for all of our digital marketing and website initiatives over the last year and we couldn't be more pleased! They are a pleasure to work with, they communicate quickly and the results are always on target with our requests. I would highly recommend them!

Roya offers excellent customer service, and a great knowledge of the field. Their work is always creative, accurate and on time! Working with them has helped boost our business.
